Society Billing & Maintenance

REAL ESTATE | SOFTWARE

Bills, maintenance and collections for housing societies, all in one place.

Overview

A system for society offices that manages members, plots or units, maintenance and utility bills, and keeps track of payments and outstanding amounts.

Key Features

- Member and unit/plot records
- Monthly maintenance and utility bills
- Payment collection and receipts
- Outstanding and defaulter tracking
- Multi-society (multi-tenant) support
- Billing and recovery reports

Modules in Detail (6)

1. Members & Units
Member records linked to plots or units, with ownership and contact details.

2. Billing
Generates monthly maintenance and utility bills for every unit in a few clicks.

3. Collections
Record payments, issue receipts and apply them against outstanding bills.

4. Complaints
Log resident complaints and track them until they are resolved.

5. Reports
Defaulter lists, collection and outstanding reports.

6. Admin
Manage societies, users, charge heads and settings.
