FlowHCM HRMS

HUMAN RESOURCES | ERP

The full HR cycle, from hiring to exit, in one system.

Overview

FlowHCM (DotPro HRMS) digitizes the whole HR cycle: People (employees, recruitment, onboarding, exit), Time & Pay (attendance, leave, payroll, loans, expense claims), Performance (appraisals, KPIs, training, promotions, discipline) and workspace tools such as assets and administration, all with role-based access.

Key Features

- Full employee lifecycle: recruitment, onboarding and exit
- Attendance, leave and payroll with loans and expense claims
- Appraisals and KPI performance tracking
- Training, promotions, discipline and grievance
- HR letters and a company asset register
- Role-based administration and reports

Modules in Detail (22)

PEOPLE

1. Employees

Employee profiles with personal and job details, documents and employment history.

2. Recruitment

Manage job openings, candidates and hiring stages from application to offer.

3. Onboarding

Checklists and tasks that take a new hire from offer acceptance to their first day and beyond.

4. Onboarding Requests

Requests raised for new joiners, such as equipment, accounts and access, tracked until they are completed.

5. Exit Management

Resignation, clearance and final settlement handled as a structured offboarding process.

TIME & PAY

6. Attendance

Daily attendance, shifts and late or early tracking.

7. Leave
Leave types, balances, requests and a manager approval workflow.

8. Payroll
Salary structures, allowances and deductions, a monthly payroll run and salary slips.

9. Loans & Advances
Employee loans and salary advances, with approval and repayment tracking.

10. Expense Claims
Employees submit expense claims that go through approval before reimbursement.

11. Reports
HR reports for headcount, attendance, leave, payroll and more, with export.

PERFORMANCE

12. Appraisals
Performance appraisal cycles with employee and manager reviews.

13. KPI Performance
Set KPIs for employees and teams and track performance against them.

14. Training
Plan training programs and record who attended and completed them.

15. Discipline & Grievance
Record disciplinary actions and employee grievances and follow them through to resolution.

16. Promotions
Promotion proposals and approvals, with the change recorded on the employee's profile.

17. HR Letters
Generate standard HR letters from templates.

WORKSPACE

18. Dashboard
A single overview of headcount, attendance, pending requests and key HR numbers.

19. Company
Company profile and basic details used across the system.

20. Assets
Asset register for company items issued to employees, with assignment and return tracking.

21. Organisation
Departments, designations, locations and reporting structure.

22. Administration
Users, roles, permissions and system settings.
